Alkali in Shampoos Bad For Washing Hair

Most scaps and prepared shampoos contain too much alkali, which is very injurious, as it dries the scalp and makes the hair brittle.

The best thing to use is Mulsified night. cocoanut oil shampoo, for this is pure and entirely greasless. It's very cheap and beats anything else all to pieces. You can get this at any drus store, and a few ounces will last the

hole family for months. Simply moisten the halr with water and rub it in, shout a teaspoonful is all that is required. It makes an abundance of rich, creamy lather, cleanses thoroughly, and rinses out easily. The hair dries quickly and evenly, and is soft, fresh looking, bright, finfly, wavy, and easy to handle. Besides, it loosens and takes out every particle of dust, dirt and dandruff. Be sure your druggist gives you Mulci. sure your druggist gives you Mulsi-
